

## *Donation Guidelines: Crib, cots and toddler beds*

### **Initial Check:**

- \*Must be complete and without damage.
- \*Clean and in good condition (minimal bite marks and scratches)
- \*Less than 10 years old

### **Safety Check:**

- \*No sharp edges or cracks to frame and base
- \*Slats and rails must be original, complete and without damage (no taping)
- \*All fixtures and fittings must be complete

### **Before Donating:**

To help our small team of volunteers get items to families quickly, we would really appreciate if you could...

- \*Remove the mattress
- \*Wipe down the frame to ensure it's free of marks, dust and cobwebs
- \*Ensure all fixtures and fittings are complete, securely sealed and attached to the cot
- \*Please include a manual. These can be found and printed online

**Please only donate items that you would be proud to give a close friend or family member.**  
**Thank you**
